**Note:** Items on the agenda may be taken out of order; combined with other items; removed from the agenda; moved to the agenda of another meeting; moved to or from the Consent section; or may be voted on in a block. Items voted on in a block are considered a single item for purposes of public comment on action items as provided below in the description of the parameters for "Public Comment" section, so that there will be only one period of public comment on the block vote; any public comment made during that period may pertain to any of the items being voted on in the block, but there will not be separate public comment periods for each item within the block. The Consent is a single agenda item and is considered as a block and will not be read aloud.

**Time Limits** – Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to three (3) minutes per person. Additionally, public comment specific to the action item of three (3) minutes per person will be heard during individual action items on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Washoe County Advisory Board to Manage Wildlife meeting. Persons may not allocate unused time to other speakers.

**Forum Restrictions and Orderly Conduct of Business** – The Washoe County Advisory Board to Manage Wildlife conducts the business of the Nevada Board of Wildlife Commissioners on behalf of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

**Responses to Public Comments** – The Washoe County Advisory Board to Manage Wildlife can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the Public Comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Washoe County Advisory Board to Manage Wildlife. However, responses from Washoe County Advisory Board to Manage Wildlife to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel, and to ensure the public has notice of all matters the Washoe County Advisory Board to Manage Wildlife will consider, the Washoe County Advisory Committee to Manage Wildlife may choose not to respond to public comments except to correct factual inaccuracies, ask for Washoe County staff action or to ask that a matter be listed on a future Washoe County Advisory Board to Manage Wildlife meeting agenda. The Washoe County Advisory Committee to Manage Wildlife may do this either during the Public Comment item or during the following item: **“WASHOE COUNTY ADVISORY BOARD TO MANAGE WILDLIFE MEMBERS AND/OR STAFF ANNOUNCEMENTS, REQUESTS FOR INFORMATION AND SELECTION OF TOPICS FOR FUTURE AGENDAS”** [Non-action item].”

This facility is accessible to the disabled. Persons with disabilities who require special accommodations or assistance (e.g., sign language, interpreters or assisted listening devices) at the meeting should notify Nevada Department of Wildlife at 775-688-1599, 48-hours before the meeting.
